Awfis Partners with ECOS (India) Mobility & Hospitality Limited to Launch Premium Corporate Transportation Services

National, 17th April 2025: Awfis, India's largest and first publicly listed workspace solutions company, has today announced a strategic partnership with ECOS (India) Mobility & Hospitality Limited to offer premium chauffeur-driven and employee transportation services to its clients nationwide. This collaboration marks a significant expansion of Awfis' service portfolio, addressing the growing need for reliable, secure, and cost-effective corporate mobility solutions.

This strategic alliance represents yet another step in Awfis' evolution beyond traditional workspace solutions, adding transportation to its growing suite of allied services designed for Global Capability Centers (GCCs) and enterprise clients. Our research also highlighted that commuting difficulties rank among the top challenges for employees returning to office spaces, with professionals citing transportation concerns as a significant drawback to their workplace experience. The partnership directly addresses this pain point by providing reliable and comfortable transportation options.

Commenting on the partnership, **Mr. Amit Ramani, Chairman & Managing Director, Awfis Space Solutions Limited**, said, "At Awfis, we have always believed that workspace solutions extend beyond physical offices. With this partnership, we are enhancing the overall business experience by providing seamless transport solutions that complement our workspace offerings. This partnership is a validation of Awfis' commitment to innovation and client satisfaction, and we look forward to working with ECOS Mobility to transform the corporate mobility landscape in India."

The comprehensive suite of transport services includes:

- Corporate car rental with flexible options
- Employee shuttle and carpooling solutions
- Premium chauffeured services for executives and VIP clients
- Coordinated transport for conferences and corporate events
- Hotel travel desk services including airport transfers
- Self-drive options for increased autonomy

"This partnership represents our commitment to solving real business challenges," said **Mr. Rajesh Loomba, CMD at ECOS(India) Mobility & Hospitality Limited**. "By combining Awfis' understanding of business needs with our expertise in transportation logistics, we have created a solution that delivers consistency, security, and value across India's major business hubs."

These services have been specifically designed to meet the needs of both coworking professionals and corporate clients, offering customizable solutions that can be scaled according to organizational requirements. The service is immediately available to all Awfis clients through a user-friendly booking system with 24*7 support. With pan-India coverage, businesses can rely on consistent service quality regardless of location. Transportation is a critical aspect of business operations, and Awfis is proud to address this need through its collaboration with ECOS Mobility.
